love to ride

What's better than an energy cycle- weekend to get away from routine?

Our hotel organizes a romantic bike ride along the Adriatic coast of Grottammare, offering free transport from Teramo.

On the spot you will be provided with a tandem, two-wheeled-cart or bikes, and an itinerary that will

illustrate the most beautiful places in the area. Not to be missed the opportunity to learn about the historical beauty, including streets, churches and picturesque views through a ride in the historic centre of Grottammare.

Later enjoy a romantic dinner in Torre di Palma, accompanied by sunset and amazing panorama of the coast.

Late in the evening the shuttle will provide drop-off service back to our resort.

We offer this package including arrangement of B&B at a cost of € **150,00!**
